

Windmill Windup 2010

Welcome to the 2010 Windmill Windup! It's big, once again, and its packed with fun and just as packed with ultimate this year. We have added some cool events and revamped some older traditions and are gearing up for some great ultimate with more of you than ever before!

Same Location as 2009: We have found a sports complex in Amsterdam big enough for all of the ultimate action that the Windmill demands. Therefore the 2010 windup will again be held at : **Sportpark de Eendracht, Bok de Korverweg 6, 1067 HR, Amsterdam.** For maps and directions, read on, or go to our Directions page on our site

FORMAT

Open, Women's and Mixed Divisions

All Divisions will feature a draw innovation which made its debut at previous windups. You'll taste the delights of the Swiss Draw format which was first devised and used for chess competitions in Switzerland.

In all divisions, games are to 15 points, but this year they are played in 90 minute time slots. You will hear a jingle to let you know that time has been reached. Play out that point, add 1 to the highest score with a maximum of 15 points, and finish the match

The first round match-ups are virtually random. Then...

Please report your scores to Frisbee Central (TD) or any staff member (blue shirts). Each game has its win-loss converted to Victory Points. That is, the difference between scores is converted to Victory Points using the scale here →

So the maximum you can get is 25 VPs and the minimum 0.

This is popular because teams nearly always score something and the whole point of the style is that a team, clearly beaten, needs to battle to the finish as it is the margin which matters. Likewise, just winning is not winning much.

The draw for the next round simply consists of ranking the teams by VPs. and resorting to allow that no team plays the same team twice. 1st plays 2nd, 3rd plays 4th etc. etc. A team's VPs are carried forward throughout the tournament.

Tie-break method for teams that have an equal amount of VPs at the end of any given Round of the Swiss Draw: For – Against (goal difference) for the whole tournament thus far. If teams are still tied, it will go to Spirit scores, and then a random method will be used at the TDs discretion (probably a coin toss or random number or paper-scissors-rock).

All divisions will play 5 rounds of this format to rank the teams. At the end of 5 rounds, the division splits into 1-8, 9-16, 17-24 & 25-38, depending on the number of teams in the division. These groups will play quarter finals, semi finals and finals to get their final finishing position.

If this explanation is as clear as mud to you, then feel free to email us with questions, or ask us at the tournament. Yeah! Remember, this Swiss Draw is tried and true in many competitive arenas. I have personally seen it work well at Bridge and Touch Football tournaments back home in Australia, as well as last year's Windup.

It is very important that team captains ensure that the TD has their match scores IMMEDIATELY when each game finishes. Otherwise calculating the following round games will be impossible. Please give us all your help with this. If you do not have a scorekeeper at your field, please do it yourself and report your scores to the organisor's tent.

Margin of Victory	VPs for Winner	VPs for Loser
1	16	14
2	17	13
3	18	12
4	19	11
5	20	10
6	21	9
7	22	8
8	23	7
9	24	6
10	25	5
11	25	4
12	25	3
13	25	2
14	25	1
15	25	0

RULES

- Open, Women and Mixed teams will play 8 games (5 in the Swiss Draw, then Quarter, Semi and Final).
- Open, Mixed & Ladies games are to 15 points or 90 minutes – after 85 minutes, the "5 minutes left" jingle will sound. Play out the point, add 1 to the highest score with a maximum of 15 points, and finish the match.
- Captains can arrange to move a game to a vacant field should a game on their assigned field be running over time.
- All games have 2 minute mirror half time at 8 points.
- Each team has 2 time-outs per game.
- WFDF 2010 rules apply at this tournament.
- Ties in the ranking of each round of the Swiss Draw will be broken by 1) victory point total of all opponents, 2) point difference, then 3) spirit scores, 4) coin flip
- It is very important that match scores are reported to the TD immediately after each game. Or the whole schedule could be held up. Please make sure you help with this. Captains are ultimately responsible for ensuring that scores are properly reported. Thanks.
- Please make sure you record a spirit score for your opponents on the scoresheet after each game.

INCLEMENT WEATHER

In case of lightning, please notify the organizers; we will take full safety precautions, and your games may be delayed.

PUB QUIZ

What is the longest river in Africa? What is the second highest peak in the Himalayas? And who invented vulcanized rubber? If you think you know the answers to questions like these, you should sign up for the first Windmill Windup Pubquiz! This year we have expanded our entertainment program with an awesome pubquiz, hosted by our most erudite volunteers Hilco and Tim! How does the Windmill Windup Pubquiz work? It will consist of 10 rounds of 10 questions. These can be random trivia questions, or -without giving away too many details- could very well be "name the artist and song", or questions that belong to a certain theme. Your hosts will read out the questions, and you will hopefully write down the right answer. After each round, the answer sheets will be collected, and we move on to the next round. You can participate in teams of 5 persons maximum. Think of a cool name for your team, and show the other teams what you are worth! During the pubquiz the bar will be open, so you can boost your brains with whatever juice you need :) After 10 intense rounds of questions, one team will take home the win, together with some awesome prizes! So start studying your encyclopedia, read the internet and get your thinking helmets on... And brace yourself for the Windmill Windup Pubquiz! Entry Fee : FREE!

CHARITY PULL COMPETITION!

For the first time, we will be holding a Longest Pull Competition, trials will take place on Friday evening, and the finals will take place during half time of the final matches. A generous sponsor (Bugaboo) has offered to donate a good amount of cash for all discs that pass the money line, so send your best pull'ers to this event!

LIVE PAINT SHOW

The Big Tipi will be host to a number of visual frolics, like the soccer matches and some cool ulti-footage! On Friday we will also have a Dutch artist doing a Live Paint Performance, blasting image and mind twirls and sazzles on to the wall and into your mind. All will be edged by a lazy crazy soundtrack, taking you to the eternal Frisbee fields or beyond... .

WORLD CHAMPIONSHIP SOCCER

You don't have to miss much of the WC football in South-Africa. All games will be shown in the Big Tipi right across the main tent. So bring your national colors and cheer for your nation! All games are on big screen.

BEER RACE

Test your drinking, eating, and athletic abilities in windmill's renowned Beer Race. 20 Teams consisting of 1 male and 1 female will show off their abilities in a race against the clock for bubbly prizes. Sign up early, there is only room for 20 teams.

MINGLE MINGLE

The Windmill tradition continues! A huge gathering of players mingling and mixing. Meet some of the other teams and become friendly in 1 of the 6 positions called out by our rowdy announcer. Its key to be quick on your feet and find a mate to match up with. The slowest couples get called out .The two players left at the end will receive their Bubbly prize. Saturday after dinner!

THE SATURDAY NIGHT PARTAY

Fully warmed up after the beer race, the boys from KNOBSTICKER will kick the party in to high gear with two lumberjacks from the woods of Rekçitsbonk delivering music for you to dance to. Disco and electrotunes will fill the windmill ears. Once you're in full swing, Windmill's own DJ Team will rip up the dance floor with some choice tunes that will keep your feet bouncing till the early morning. Keep your ears open for the classic Chocomel Chug, which will offer more prizes and hilarity.

AWARDS CEREMONY

Don't leave until you have heard the final results. Surprise games usually occur, eat some bbq goods and know your standing.

BICYCLES

You may want to rent a bicycle = a good idea in Amsterdam! See the website for more information.

FOOD

Breakfast/Lunch: We will be providing breakfast / lunch on Friday, Saturday and Sunday. We strive to provide you with quality and quantity of food. Yum yum. We encourage you to make your lunch in the morning from the plentiful ingredients at breakfast. Don't forget, our food team prepares and sells fresh gourmet sandwiches, pasta salads, cold sport drinks and sodas, granola and chocolate goodies.

Thursday Dinner: New to this year's windmill: we will sell quiches with fresh salad for a modest price in the main tent. Hungry travelers from all over Europe can enjoy tasty quiches upon arrival.

Friday Dinner: On Friday evening after the matches, we will be selling limited amounts of pizza and BBQ. Hand made, hand tossed pizzas will be served during 18:00 and 21:00 and will be made onsite by our food team.

Teams can also make their way to the city center to taste some eclectic international cuisines. Restaurant recommendations in the area are listed on the website.

Saturday Dinner: We will also provide dinner on Saturday night at the fields before the party at no extra cost. Once again, the Willing Wheels kitchen bus will be there to fill your stomach. You will receive your dinner tickets at registration.

Other Meals: You will find a list of restaurants in the area posted at the registration and organization tent.

FREE MASSAGE & PHYSIOTHERAPISTS

The Windup will once again offer free massages to players on Saturday and Sunday. Shameless, I know, but we are advertising it. On all three days there will be a physio to help and advise you with your aches, pains and injuries.

ADDRESS

Sportpark De Eendracht (remember this in case you need to ask for directions)
'National Rugby Center Amsterdam'
Bok de Korverweg 6
1067 HR Amsterdam-Geuzenveld
The Netherlands

**Note: Do not leave any
valuables in your car**

DRIVING TO CENTRAL FIELDS

Coming from the south (A2/Breda-Utrecht)

Follow directions towards the A10 (Ring Amsterdam). Turn onto the A10 in direction South-West (s108 – s101/Den Haag). Don't go faster than 80 if indicated, we have 'Trajectcontrole' and it might cost you, it measures the average speed!

Take exit s103/s104, direction Haarlem. At the end of the exit, at the traffic light, turn left onto the N200 (Haarlemmerweg, direction Haarlem/Halfweg). Follow the signs Haarlem and turn left at the third traffic light (direction s104, Sloterveer/Geuzenveld). On the roundabout take the first turn-off to your right (direction Geuzenveld, Antony Modderstraat). Follow this road for quite a long time (it changes names) until you see a supermarket in front of you at the end of this road (LIDL). Directly after the sharp turn to the left (otherwise you drive right into the supermarket ;-)), turn right onto the Cornelis Outhoornstraat. Follow this road and turn left at the end onto the Bok de Korverweg. At the end of this road you should enter the parking area. At your right hand you will find the Rugby Stadium where the main tent is located.

Coming from the south-west (A4/Schiphol)

Turn on the A10 (Ring Amsterdam) direction West (Zaanstad/Leeuwarden). Don't go faster than 80 if indicated, we have 'Trajectcontrole' and it might cost you, it measures the average speed! Then take it from step 2 as displayed above.

Coming from the east (A1/Amersfoort)

Turn onto the A10 (Ring Amsterdam) direction North (Zaanstad). Take exit s102/ Westpoort. At the end of the exit turn right onto the Basisweg at the traffic light, direction s102/IJmuiden. At the fourth traffic light turn left at the sign s104 (on your right at the crossing there is a building with very huge the word 'Scherpenzeel' on it), you are now on the Seineweg. Go straight and pass by two traffic lights till you hit a roundabout (following direction Geuzenveld/Sloterveer). Take at the roundabout the first turn-off to your right (Antony Modderstraat, direction Geuzenveld). Follow this road for quite a long time (it changes names) until you see a supermarket in front of you at the end of this road (LIDL). Directly after the sharp turn to the left (otherwise you drive right into the supermarket ;-)), turn right onto the Cornelis Outhoornstraat. Follow this road and turn left at the end onto the Bok de Korverweg. At the end of this road you should enter the parking area. At your right hand you will find the Rugby Stadium where the main tent is located.

PUBLIC TRANSPORT TO CENTRAL FIELDS

From Central Station

Take Citybus 21 (GVB) with destination Geuzenveld. You will find this city bus on your right hand across the water when you exit Central Station on the side of the city center. The bus leaves about every 10 minutes and the trip takes about 25 minutes. The last bus leaves at 0.22 h. Get off at busstop 'Freule Wittewaalpad'. That's it, all you have to do after that is follow the arrows to the front entrance of the sportspark!

From Station Sloterdijk

Take Bus 192 (GVB) with destination Schiphol Zuid P30. You can find the buses in front of the station. Buses leave every half hour. The trip takes only 10 minutes. Get off at busstop 'Freule Wittewaalpad'. That's it, all you have to do after that is follow the arrows to the front entrance of the sportspark!

From Schiphol Airport

The easiest is to take Bus 192 with direction 'Amsterdam Sloterdijk'. Follow the bus station sign to find the buses. The bus leaves every 15 minutes during daytime, after 18.00 h it leaves every 30 minutes (at .25 and at .55). The last bus leaves at 0.25 h. The trip takes about 35 minutes. Get off at busstop 'Freule Wittewaalpad'. That's it, all you have to do after that is follow the arrows to the front entrance of the sportspark!

Some tips for taking buses in the Netherlands:

- Generally the bus driver will be able to speak some English
- Tell the driver you are going to Sportpark De Eendracht and that you need to get off at Wittewaalpad: 'with the waal path'. Or bring a note with you ;-). Most drivers will be so kind as to tell you where to get off.
- For all you veterans there has been a public transport change. We no longer use the infamous 'strippenkaart' and have switched over to an 'Public Transport chipkaart'. So the best way to go is just to buy a ticket on the bus

BIKING TO THE FIELDS

From Central Station it is about 8.3 kilometers. Plan your trip on: www.routecraft.com/fietsplanner. Click on the English flag to get some understandable directions.

WW2010 : Event Schedule

Thursday

Start	Finish	What?
17:00		Camping Open
