Windmill Windup 2011

Welcome to the 2011 Windmill Windup! It's big, once again, and its packed with fun and just as packed with ultimate this year. We have added some cool events and revamped some older traditions and are gearing up for some great ultimate with more of you than ever before!

Same Location as 2010: We have found a sports complex in Amsterdam big enough for all of the ultimate action that the Windmill demands. Therefore the 2011 windup will again be held at : **Sportpark de Eendracht, Bok de Korverweg 6, 1067 HR, Amsterdam.** For maps and directions, read on, or go to our Directions page on our site

FORMAT

Open & Mixed Divisions (for Women's Division, see pages 6+7)

Open and Mixed Divisions will feature a draw innovation which made its debut at previous windups. You'll taste the delights of the Swiss Draw format which was first devised and used for chess competitions in Switzerland.

In all divisions, games are to 15 points, but this year they are played in 90 minute time slots. You will hear a jingle to let you know that time has been reached. Play out that point, add 1 to the highest score with a maximum of 15 points, and finish the match

The first round match-ups are virtually random. Then...

Please report your scores to Frisbee Central (TD) or any staff member (blue shirts). Each game has its win-loss converted to Victory Points. That is, the difference between scores is converted to Victory Points using the scale here →

So the maximum you can get is 25 VPs and the minimum 0.

This is popular because teams nearly always score something and the whole point of the style is that a team, clearly beaten, needs to battle to the finish as it is the margin which matters. Likewise, just winning is not winning much.

The draw for the next round simply consists of ranking the teams by VPs. and resorting to allow that no team plays the same team twice. 1st plays 2nd, 3rd plays 4th etc. etc. A team's VPs are carried forward throughout the tournament.

Tie-break method for teams that have an equal amount of VPs at the end of any given Round of the Swiss Draw: sum of the opponent's victory points (teams that have played better opponents are ranked higher), total points scored, spirit score.

Open + Mixed divisions will play 5 rounds of this format to rank the teams. At the end of 5 rounds, the division splits into 1-8, 9-16, 17-24 & 25-38, depending on the number of teams in the division. These groups will play quarter finals, semi finals and finals to get their final finishing position.

If this explanation is as clear as mud to you, then feel free to email us with questions, or ask us at the tournament. Yeah! Remember, this Swiss Draw is tried and true in many competitive arenas. I have personally seen it work well at Bridge and Touch Football tournaments back home in Australia, as well as last year's Windup.

It is very important that team captains ensure that the TD has their match scores IMMEDIATELY when each game finishes. Otherwise calculating the following round games will be impossible. Please give us all your help with this. If you do not have a scorekeeper at your field, please do it yourself and report your scores to the organizer's tent.

RULES

- Open and Mixed teams will play 8 games (5 in the Swiss Draw, then Quarter, Semi and Final).
- Ladies teams play 8 games, except two will play only 7 games.
- Open, Mixed & Ladies games are to 15 points or 90 minutes – after 85 minutes, the "5 minutes left" jingle will sound. Play out the point, add 1 to the highest score with a maximum of 15 points, and finish the match.
- All games in all divisions on Sunday are to 15 points, no time cap.
- Captains can arrange to move a game to a vacant field should a game on their assigned field be running over time.
- All games have 2 minute mirror half time at 8 points.
- Each team has 2 time-outs per game.
- The latest WFDF rules apply at this tournament.
- Tie-break method for teams that have an equal amount of VPs at the end of the second or higher round of the Swiss Draw: sum of the opponent's victory points (teams that have played better opponents are ranked higher), total points scored, spirit score.
- It is very important that match scores are reported to the TD immediately after each game. Or the whole schedule could be held up. Please make sure you help with this. Captains are ultimately responsible for ensuring that scores are properly reported. Thanks.
- Please make sure you record a spirit score for your opponents on the scoresheet after each game.

CHARITY PULL COMPETITION! (FRIDAY EVENING QUALIFIERS + SUNDAY DURING THE OPEN FINAL)

After the success of last years Pull Competition (we raised 4000 euros for charity!!!) we have decided to once again run this hugely popular event. Tryouts are on Friday evening on the field by the main tent. Those who wish to challenge for a coveted position in the finals are encouraged to sign up to ensure that they will get to compete. Finals take place on the main field during halftime of the Men's final. Sweet prizes await the winners!

FRIDAY NIGHT FESTIVAL

You like to be entertained? You like to relax and enjoy a wide variety of artist, shows and the like? You're going to love our new Friday evening program with the following acts:

DOUGLAS FIAS (SINGER)

...is Gertjan Van Hellemont, a young singer-musician-producer from Belgium who plays Harmony guitars and americana-like songs. Beautiful music, actually.

LET'S KILL THE MOONSHINE (INTERACTIVE SHOOTING GALLERY)

Let's kill the Moonshine! This interactive and real shooting gallery is based on Marinetti's manifest Futurismo. Futurists reject to the idea of the vulnerable, everyday human chasing the dream of perfection. Instead they choose chaos as a starting point for art, Modern art? One 100 years later there is still an urge to clean up. We invite you to take a gun and Kill the Moonshine. Shoot your sentimental darlings, make way for the Future.

CASPER ADRIAN (SINGER)

Casper Adrian's music is disarming and straightforward. In his songs he questions himself and the world around him. While he's not afraid to ask the big questions, life's simpler themes are paid attention as well. His style is a typical mix of folk, blues and pop and he strives to find a perfect balance between entertainment and awareness.

BEELDBUIS FILM FESTIVAL

The Beeldbuis Filmfestival has selected some of it's best and finest shorts, contributed by talented filmmakers from Holland and Belgium. Beeldbuis is an annual short filmfestival, where every filmgenre is represented.

THE HANGIN' DJs

Roel Idema plays the alternative and obscure but doesn't shy away from the contemporary indiepop/stonerrock. Be ready for a balanced mix of Wave, grunge, rock-'n-roll and tunes that will set your feet on fire.

BEER RACE

Test your drinking, eating, and athletic abilities in windmill's renowned Beer Race. 20 Teams consisting of 1 male and 1 female will show off their abilities in a race against the clock for bubbly prizes. Sign up early, there is only room for 20 teams.

MINGLE MINGLE

The Windmill tradition continues! A huge gathering of players mingling and mixing. Meet some of the other teams and become friendly in 1 of the 6 positions called out by our rowdy announcer. Its key to be quick on your feet and find a mate to match up with. The slowest couples get called out .The two players left at the end will receive their Bubbly prize. Saturday after dinner!

THE SATURDAY NIGHT PARTAY

Fully warmed up after the beer race, the boys from The Benelux will kick the party into high gear. THE BENELUX is a 4 headed wolf band, a vintage electronic shock of tasteful noise, beats and resonating vocals that makes you want to kneel on the dance floor and pray for more. Once you're in full swing, DJ Double D and Windmill's own DJ Team with DJ Snowy, DJ Phreak du Fonque will rip up the dance floor with some choice tunes that will keep your feet bouncing till the early morning.

AWARDS CEREMONY

This is the year you want to win the Windmill, as you'll find out during the awards ceremony. Have a drink and eat some bbq, we keep the goods running until the elephant goes to rest, only to rise again in 2012!

FOOD

Breakfast/Lunch: We will be providing breakfast / lunch on Friday, Saturday and Sunday. We strive to provide you with quality and quantity of food. Yum yum. We encourage you to make your lunch in the morning from the plentiful ingredients at breakfast. Don't forget, our food team prepares and sells fresh gourmet sandwiches, pasta salads, cold sport drinks and sodas, granola and chocolate goodies.

Thursday Dinner: Just like last year we will be selling proper and cheap food for hungry travelers: Windmill visitors can enjoy tasty Roti upon arrival. This specialty from Surinam (veggie and chicken version) is tasty and will satisfy your hunger at once.

Friday Dinner: On Friday evening after the matches, we will be selling limited amounts of burrito's and BBQ. Delicious burritos will be served between 18:00 and 21:00 and will be made onsite by our awesome food team.

Teams can also make their way to the city center to taste some eclectic international cuisines.

Saturday Dinner: We will also provide dinner on Saturday night at the fields before the party at no extra cost. Once again, the Willing Wheels kitchen bus will be there to fill your stomach. You will receive your dinner tickets at registration.

Other Meals: You will find a list of restaurants in the area posted at the registration and organization tent.

FREE MASSAGE & PHYSIOTHERAPISTS

The Windup will once again offer free massages to players on Saturday and Sunday. Shameless, I know, but we are advertising it. On all three days there will be a physio to help and advise you with your aches, pains and injuries.

ACCURACY COMPETITION

On Sunday during the first time out of the open final, be sure to have a disc with you (with your name on it) for an easy way to win 20 Euro certificate at the Windmill Shop!

DRIVING TO THE FIELDS

Coming from the south (A2/Breda-Utrecht)

Follow directions towards the A10 (Ring Amsterdam). Turn onto the A10 in direction South-West (s108 – s101/Den Haag). Don't go faster than 80 if indicated, we have 'Trajectcontrole' and it might cost you, it measures the average speed!

Take exit s103/s104, direction Haarlem. At the end of the exit, at the traffic light, turn left onto the N200 (Haarlemmerweg, direction Haarlem/Halfweg). Follow the signs Haarlem and turn left at the third traffic light (direction s104, Sloterveer/Geuzenveld). On the roundabout take the first turn-off to your right (direction Geuzenveld, Antony Modderstraat). Follow this road for quite a long time (it changes names) until you see a supermarket in front of you at the end of this road (LIDL). Directly after the sharp turn to the left (otherwise you drive right into the supermarket ;-) , turn right onto the Cornelis Outshoornstraat. Follow this road and turn left at the end onto the Bok de Korverweg. At the end of this road you should enter the parking area. At your right hand you will find the Rugby Stadium where the main tent is located.

Coming from the south-west (A4/Schiphol)

Turn on the A10 (Ring Amsterdam) direction West (Zaanstad/Leeuwarden). Don't go faster than 80 if indicated, we have 'Trajectcontrole' and it might cost you, it measures the average speed! Then take it from step 2 as displayed above.

Coming from the east (A1/Amersfoort)

Turn onto the A10 (Ring Amsterdam) direction North (Zaanstad). Take exit s102/ Westpoort. At the end of the exit turn right onto the Basisweg at the traffic light, direction s102/IJmuiden. At the fourth traffic light turn left at the sign s104 (on your right at the crossing there is a building with very huge the word 'Scherpenzeel' on it), you are now on the Seineweg. Go straight and pass by two traffic lights till you hit a roundabout (following direction Geuzenveld/Sloterveer). Take at the roundabout the first turn-off to your right (Antony Modderstraat, direction Geuzenveld). Follow this road for quite a long time (it changes names) until you see a supermarket in front of you at the end of this road (LIDL). Directly after the sharp turn to the left (otherwise you drive right into the supermarket ;-) , turn right onto the Cornelis Outshoornstraat. Follow this road and turn left at the end onto the Bok de Korverweg. At the end of this road you should enter the parking area. At your right hand you will find the Rugby Stadium where the main tent is located.

PUBLIC TRANSPORT TO THE FIELDS

From Central Station

Take Citybus 21 (GVB) with destination Geuzenveld. You will find this city bus on your right hand across the water when you exit Central Station on the side of the city center. The bus leaves about every 10 minutes and the trip takes about 25 minutes. The last bus leaves at 0.22 h. Get off at busstop 'Freule Wittewaalpad'. That's it, all you have to do after that is follow the arrows to the front entrance of the sportspark!

From Station Sloterdijk

Take Bus 192 (GVB) with destination Schiphol Zuid P30. You can find the buses in front of the station. Buses leave every half hour. The trip takes only 10 minutes. Get off at busstop 'Freule Wittewaalpad'. That's it, all you have to do after that is follow the arrows to the front entrance of the sportspark!

From Schiphol Airport

The easiest is to take Bus 192 with direction 'Amsterdam Sloterdijk'. Follow the bus station sign to find the buses. The bus leaves every 15 minutes during daytime, after 18.00 h it leaves every 30 minutes (at .25 and at .55). The last bus leaves at 0.25 h. The trip takes about 35 minutes. Get off at busstop 'Freule Wittewaalpad'. That's it, all you have to do after that is follow the arrows to the front entrance of the sportspark!

Some tips for taking buses in the Netherlands:

- Generally the bus driver will be able to speak some English
- Tell the driver you are going to Sportpark De Eendracht and that you need to get off at Wittewaalpad: Or bring a note with you ;-). Most drivers will be so kind as to tell you where to get off.
- For all you veterans there has been a public transport change. We no longer use the infamous 'strippenkaart' and have switched over to an 'Public Transport chipkaart'. So the best way to go is just to buy a ticket on the bus

BIKING TO THE FIELDS

From Central Station it is about 8.3 kilometers. Plan your trip on: www.routecraft.com/fietsplanner. Click on the English flag to get some understandable directions.
